

Jessica Schnauber

March 28, 1989 - November 4, 2024

Jessica L. Schnauber, 35 of Palenville, N. Y., gained her wings to be with Our Heavenly Father on November 4, 2024.

Jessica was born March 28, 1989 in Watertown, N.Y., and is the loving daughter of Karen Gay Schnauber. Jessica leaves behind a beautiful daughter Jaelyn Le' Schnauber which was the love of her life. Young hearts will carry on with Jessica's loving legacy. Other survivors include Aunts, Uncles and many cousins. Countless friends and loved ones that became family.

Jessica was one of five children and is survived by her brothers, Jacob (Jillian), Jason (Monica) and sisters Danaisa (Noah) and nephew Cameron and sister McKenna.

Jessica was the granddaughter of the late Thomas and Lorraine Gay from Alvin, TX and the late Robert and Mary Schnauber of Depauville, N.Y. During Jessica's lifetime she enjoyed sports mostly volleyball and basketball, during her early teen years she loved dancing on the drill team and spending time with all her friends. Jessica received her GED at Job Corp in Austin, TX at the age of 15, shortly after this she made her way back to Watertown where she pursued waitressing at the Texas Roadhouse. She was great at that profession due to the bubbly and contagious personality she had. Jessica made her way down to the Catskills to start a new life and brought a beautiful daughter into this world, Jessica was a great Mom to her daughter teaching

her to play sports, swimming and riding her bike. Jessica shared her love of music with Jaelyn and enjoyed going to the park as well. She introduced her to McDonalds caramel frappes which is her most favorite drink to this day.

(thanks Mom)

“ You were the most beautiful baby. Part of seeing you grow up on Schnauber Road and spending so much time at Grandma and Grandpa's when I came home on weekends. As soon as you knew I was there you, Jacob, Jason and Danaisa were there. I'll always cherish the memories. In particular Thanksgiving's when I would take all the kids hiking up the hill to get out of helping with cleaning up 😊 also taking you all to Clayton Center, getting out of the car and blasting music and dancing in the middle of the road. Now you can dance free beautiful girl 🥰💕🙏
