“ Aunt Joan, I'm writing this for my mother because we know she would never figure out how to do this!

My dearest cousin Joanie,

We were like sisters our entire life. I came to you with everything and you were always there for me. On my darkest days I knew I could always count in you. You weren't only there for me but for my children as well, treating them and loving them as your own.

I have so many memories of both our younger years and growing old together that nothing could ever replace. We had so many laughs and so many stories. I love you cousin, rest in peace and I'll see you when I get there. I'm sure Johnny was waiting for you and you're both cooking up a storm and having a good laugh.

Love Always and Forever

Marie

“ Joan is family, one that you choose ❤️ There was always a welcome mat out welcoming everyone to her home....there were many times where Bobby(my husband) and I would give Joan a call to see what she and Bill were up to & and she she'd say I'm putting the coffee and water for tea on , at 10/10:30pm ! Her home was always filled with laughter, good food and fantastic company! I'm godmother to her son and was the photographer at the girls wedding! I've shared great times and sad times with my adopted family. Age and circumstances has separated us the past few years but the memories will always be with me in my heart.
Love to Michele, Shelia, Tara, Billy and Jeannie and all those who love her and were lucky enough to call Joan friend.

“ My mother was a strong woman. As sharp as a tack! She was the matriarch of our family for many years and her loss is felt deeply. Love you momma.

*Mom,
What can I say I am who I am today because of your strength.
You gave me room to make my own mistakes and wisdom to know
how to fix them. You have raised four strong daughters and one great
son !! May you now rest in peace*
