“ *Such a kind soul. I will always remember the beautiful flowers and talent for growing plants.(and the best tomatoes one could ever hope for). Such a generous person always willing to share the plants with me. I've known John for most of my life and I can only hope and pray the angels are taking care of him and he is finally free from pain. With sadness I bid you goodbye, rest in peace my friend, Love Darlene*

“ *Dear Marion: We are sending our deepest sympathy, love and prayers. Sorry to hear about John's passing. You were both such good neighbors to Aunt Vi and Uncle Joel and remember your graciousness opening up your back porch and home to our entire family for Cousin Joel's funeral. John will surely be missed by all who knew and loved him.

Dear Marion & family,

We were so sorry to hear about John. Kathi informed our family. My childhood memories of spending the Summer in the Catskills were wonderful. Having you and John as Grandma's neighbors just added to the fun. We had such fun with your family. Our hearts go out to you at this time of sadness. Hoping your memories warm your heart at this difficult time.

“*Dear Marion, I was so sad to hear of John's passing. I have fond memories of the both of you from the John's Lunch days! That was the time when you and John were just dating. My parents also were fond of the two of you. I lost my Mom, Sophie, in 1995 (age 80). I lost my Dad, John, in 1998 (age 75). I still miss them and wish they were still a part of my life today. I know that you will miss your John terribly. He was such a big part of your life. My husband and I have retired and moved to SC recently. We're enjoying the warmer weather (except this week!) and remodeling our new home. You have my deepest sympathy, Marion. I hope you stay well and keep warm. May John rest in peace. With sympathy, Joanne Clapper*

To The Best Farther A Daughter Could Ask For: Thank you for not only being the best friend a daughter could have but for trying to always give me good advice and not being critical of my mistakes and for accepting me for who I am, and not for the things that I have done, that may have not been in my best interest. Hoping you can continue enjoying your flowers in Heaven as you did on earth. I miss you dearly everyday and thank you for the many years of devotion to Mom. Love Always Your daughter Donna XOXO
