John lived his life his way to his extremes and by his rules. He conquered everything he decided to take on. When it was fishing, he won National Tournaments...

Drumming, he rocked it (literally). Building his house, he made a home. A man with many layers, many feelings, accomplishments, so much love and so many he called friends. It's hard to let him go but easy to

celebrate his life, lived his way by his rules.

Per John's wishes there will be no services.

Arrangements have been entrusted to Richards Funeral Home of the Mid-Hudson Valley, Inc., 29 Bross Street, Cairo, N.Y.

“ John I knew for over 30 Years in the Car Business. Way Back in the 80's Ford had a recall on Blue Painted cars and Trucks. John and his team Handled all the Repairs and repaints. There were an overwhelming amount for sure. At that time I worked for Lacys, Ford ,Lincoln, Subaru. And I sent all Vehicles to him. Good ole days with plenty of job Security. John it was good to know you. Fly high Brother.

“ John was not someone I met with frequently, but he was someone who remained in my memory..... a generous, thoughtful and kind individual. No, I did not know him well, but what I did know was terrific. I am very sorry to hear of his passing.

“ Our family would like to send deepest condolences to the whole Imbesi family. We were deeply saddened to hear of John's passing. Lucky are his family members who he loved with his whole heart, that love is eternal. I know my brother Harry thought of him as a brother. I like to think that both are in heaven, healthy and reconnected, catching the next big fish. Love to you all. Don, Helen & Donnie Spring and family.
