“ *I'm so sorry for your loss, I worked with John for several years at Empire Divers in Catskill. I learned a lot from him. His love of life made every day fun! I wish I had a chance to meet all his children, I can only imagine how wonderful they must be. My deepest sympathies, William Rulison*

“ John was always my friend. How many people in this world can you count as a good friend for fifty years? I am glad that over the years, whenever John came into Price Chopper, he came back to the Meat Department to stop and talk.

All good memories growing up in Red Hook. My brother Jimmy and John seemed inseparable then, now they are back home together with many other friends.

I am sad that John isn't here with us anymore, but I will never forget John or the lifetime of memories all of us shared.

My deepest sympathies to John's family.

“ *Dear Stanya and family,
I am so sorry to hear of John's passing. I reconnected with John over the last few years, and we shared many laughs and our happy memories of our younger years. John was very colorful and giving, and had such a caring soul. My brother Rich has welcomed him into Heaven, & they will be good company for each other once again. From our family to yours, we send our sincere condolences.
