“ We loved going to his house to spend the weekend with him and his son and his family. He is just like a brother to us. He would help anyone that needed help. I'm going to miss your late night drunken phone calls. I loved talking to you and listening to your dreams. R.I.P. our brother tell mom and dad we said hi and we miss them and love them. Also tell my dad and mom's we miss them to and love them. I hope you enjoy listening to their music. We LOVE YOU
