Uncle Louie always had a way to make you laugh. Gonna miss him dearly the catskill boat launch will not be the same without him. Loved going to Colgate lake and throwing back a few with him. Last summer we had a blast never laughed so hard as I did that night we went up to see him. Precious memories I will hold dear to my heart.

“ My first memory of meeting poppy was of standing next to Barbara in their apartment and him coming up from behind, wrapping his arms around our necks and clunking our heads together lmao. My most fondest memories are Colgate lake where he proceeded to cook me what looked like half a deer and insisted I could eat it.....all. May you Rest In Peace poppy.

To live in hearts we leave behind is not to die.
