

## Kalpana Patel

April 12, 1962 - May 22, 2021

Kalpana Patel passed away in the wee hours of the morning on May 22nd, 2021, she was 59. In her full life, she loved her family deeply, and she was strong, resilient and true to herself. She constantly reminded us that life was a gift as she underwent a liver and kidney transplant 10 years ago. Her journey through has been filled with ebbs and flows, through it all she has always been the type to see the silver lining. Her big, beautiful family and friends were her number one sense of joy! She also took great pride in her career, her faith, and the soaking up the serenity of nature. She was an amazing female role model who taught us all so much. Your mortal body may no longer be with us but your benevolent soul carries on in our hearts. We say adieu to a sister, an aunt, a Mimi (French nickname for grandmother) and a dear friend to many. We clasped to your heart in a loving embrace, with your light lashes forever closed. Relatives and friends are cordially invited to attend calling hours at Richards Funeral Home of the Mid-Hudson Valley, Inc., 29 Bross Street, Cairo, New York, 12413, on Monday, May 24, 2021 from 10:00 A. “ *Such a dear friend to me. Spoke to her just a few days back, cannot come to accept the reality that she will not be there in her physical body to talk any more.*

*She taught me so many many things. The most important of all the sweet lessons she taught me is that to walk on Sweet Mother and Sri Aurobindo's path, doing their yoga and sadhana, is based on the fundamental of gentleness, tender care, smiles, love, light, warmth, glow, comfort, serenity, beauty.*

*A true friend who will live with me forever.*
