“ I am absolutely in shock and disbelief. Only yesterday did I learn of Kevin's passing. He was my mentor and guardian angel working in Corrections. He always had a smile even when the moment did not call for such. My heart goes out to Eileen, Jennifer and the entire Breen family. I will miss him without a doubt.

Sincerely;

“ Dear Eileen, Jennifer, Lauren, Kelly and family,

Our hearts go out to you during this difficult time. We were totally shocked and saddened to hear of the tragic accident. Kevin was a wonderful person and he will be truly missed by all who knew him. Whenever we saw him, his smile made you feel good. My sister in law Madelyn said you requested that only the very closest friends attend Kevin's Celebration of Life in Leeds, and that it would be best if we didn't attend. therefore please know that George and I and our son Mark planned on attending the celebration, however we will honor your request. Please know we are there in spirit during Kevin's Celebration of Life and send our sincere sympathies to you and your family during this difficult time. Love, George, Mary and Mark Brandow
