“ We loved Lester so much. He was there to support us at Richard funeral home on the passing of my baby's father rich Ross in 20#7 and always kept us close came to visit and was always known as all my kids Uncle Lester even though only one is biologically related he never treated them different. He was a kind hearted guy hard on the outside , talked like a sailor but had a heart of gold. I will never forget the times with him on the road, at the fair , at the kids birthday party , holidays and more. I will never forget how much impact he made on my husband my children and all of my family's lives. Lester will be truly missed and I know he is with our Lord who has his brother and his mama.
Give them a hug for us.. and never stop being with us in spirit .
We love you Lester
