“ I just want to say how sad I am to hear of Linda's passing. I worked with her for a few years and enjoyed her company very much. She was caring, hard working, fun and just plain delightful. I will miss knowing she is not in this world. Rest in peace and know so many are thinking about you. Peggy G.

“ *Linda, you were such a good friend to us throughout the years.
We've shared so many good times, bad times, and so many
sorrows together.
When you and David were married, we rejoiced in your happiness. I
had so much fun helping you choose your wedding dress and then
celebrating your marriage.*

*Even after you moved up north we stayed in constant contact,
talking on the phone or seeing you and David when you came to
town, having lunches together and catching up on our lives. We had
such a good time when the four of us happened to be in Lake Placid
at the same time this past July, wish we had had more time to hang
out that day.*

*We will miss you dear friend, you will be in our hearts and memories
forever.*

Love, Mary and Charlie
