“ *My sweet baby girl, 20 years together, you've watched me go from a young adult to a woman. You've rubbed my belly while pregnant with my 2 children and have given love to every animal I owned. You met my parents and they treated you like their own. I will miss your hugs, your smiles and outgoing spirit that filled my heart along with many others. May you rest in peace, I hope you were greeted with open arms by your mom and dad, you've missed them so dearly. I will remember and cherish all of our times together, til we meet again*

You always asked about my fur babies Lisa, and showed me a true example of selflessness. I will make sure to continue your passion for animals! I'm so happy I got to be at your side. Fly high Angel.
