“ *We are saddened by the passing of my sister Cindy, but relieved that she is no longer in pain and is at peace. She was a petite woman yet a fierce fighter right to the end. Cindy will be missed by everyone whose lives she touched.*

We are eternally grateful to Dale, Amy, and Chris for the excellent care they provided at home 24/7. Although she is gone she will never be forgotten as her memory will always live within all of us.

*All our love and remembrance,
Larry & Maureen Ricci and a family*

“ So sad to learn of Cindy's passing. I too worked with her at Brown Kelleher & she could get complicated Patents filed with her eyes closed. She was kind and brilliant and always a lady. She was able to pivot with changes without skipping a beat. She was a joy to work with and to know. She will be missed.

“ I'm enormously saddened to hear of Cindy's death. I have the fondest memories of working with her at Brown, Kelleher back in the late '90s: Smart as a whip, extremely skilled, dedicated, but always, always full of laughter and caring.

I learned a lot from Cindy and admired her very much.

*Heartfelt condolences to Dale & all Cindy's family and friends.
Wishing her and all of you peace and the blessings of our Lord,
Jesus Christ.*

“ Uncle Dale, Amy, Chris and Liam, I wanted to light a candle virtually and at a local church in honor of Aunt Cindy. I have so many fond memories of visiting your home (and Grandpa and Nana's too) in Cairo on Sundays to have some family/cousin time, playing in the basement and out in the creek. She was always so welcoming and smiling as we came in to visit. I remember how quiet she was especially with our large/loud crew, but she always had a comment or something funny to say. I enjoyed her sense of humor and her sweet giggle which I will always keep close in my mind and heart. I know how difficult this is and am so sorry I will not be able to make it to NY to hug you all personally. Please feel my love and hugs from afar. God bless all of you and know I firmly believe she had family up there to greet her when she made her way to Heaven. I would like to think they are sharing memories and have a few laughs as they watch over us. Until we all meet up with her again, peace and comfort to all of you.
All my Love, Jami
