*I'm sorry for the loss of your mother. I'm sure she was proud of all your accomplishments. You are her legacy & she will live on through you. It's never easy to loss a parent. She always be in your heart. In that I have faith that there is more than our mortal existance, I will pray for her, as well as your family. Cherish her memory, be thankful for all good things she has done for you, & forgive any of her mistakes. You are her ultimate accomplishment. In knowing you, I would have to say her 76 years were a success. Again, my thoughts & prayers are with you, Ted at this moment in your life.*
