“ I grew up a child of the Housewives Five. The most dynamic bunch of beautiful women you will ever meet! They are slowly leaving us behind now....leaving us with the memories and adventures most will never experience in this lifetime. Margie made a huge impact on my life! I never would of had a "Cabbage Patch Kid " if it weren't for her and Herman. In the 80's this was very important to a child! And as an Adult at the Mundane parities I could always count on Margie to give me that look....AIM GET ME A BEER!

Here's to you Margie!
