“ I just heard of Margie’s passing. Sincere condolences to all her family. She taught my children and me how to run a food stand. We all loved her dearly. She was a close friend to all my family. I did visit her when I went to New York last year. Kathie Schulz

“ *I am blessed to have had Margie in my life. I admired her strong constitution and the connections she made with those around her. She lived life her way to the very end. I am honored to have been part of her journey. I will miss her sense of humor and will remember laughing with her. She will always be in my heart.*
