“ To Dearest friend Maria ,I am lost without you and I will never forget all the time that we had together at work. We had a relationship that was like sisters have. I remember you saying to me Lydia your the sister that I never had. I worked with Maria from the start and to the end and I truly loved her . We shared about the Lord and about our family. She was a blessing to everyone that new her . I remember one day at work when one of our co workers came in and I was in the bathroom and Maria came bagging on the door she said Lydia Lydia quick come and see our friend caught her in the leg in the door of her car and Maria was scared and didn't know what to do. It wasn't funny at the time but afterwards we laughed until we cried.We shared a lot of laughs and a few tears also. She loved her husband and her family . Maria my dearest friend it's not goodbye it's so long for now. I love you you're sister Lydia!!!

“ I work at the High School in the office and loved seeing your mama come in every day as she always brightened my day with a cheery hello. She was a wonderful and kind person that left a mark on my heart and I will miss her dearly. I am sure she is at peace now with God's arms wrapped tightly around her. What a blessing she was to all of us.
