Mark you were a true farmer as they say, a good man. Going to miss seeing you on your tractors with your friendly wave for every one. A friend of mine was blessed to own one of your handmade tables. Very beautifully made. I'm also remembering with a smile how you were a good neighbor to my in laws, Peter and Lydia and how you tolerated their loud they played German music. My sincere sympathies to your family and loved ones. Your memory card is so you. Keep waving 🙌

“ *Our love goes out to all of you, your loss is so great. Mark was loved and respected by all of us 💕. Carrie and Gregg keep talking about the time he came to the mini farm up the hill from us. He stopped by and we went up to watch him shear the sheep. They recall it so clearly because he was so fast, the sheep were so pink and his truck so full of wool!!*

My deepest sympathy to you and your families with the loss of Mark. My fondest memory of Mark is when many years ago Barry and I went snowmobiling in the woods of Purling and Round Top. We always had such a great time. You are in my thoughts and prayers as you grieve the loss of your husband and father.
