“ *Mary was a very generous woman . She was a woman of quality and loved everything that enriched life. She had a deep faith, great loyalty to family and always said what was on her mind. When Mary walked into a room, you would smile. She just had that affect on you. She was dearly cherished by her daughters and grandchildren. Our heartfelt condolences and love during this difficult time. The Multari Family*

“ Mary was known to my children and myself as Grandma. She was like a grandma to all of us and we adored her! She took care of my children just like her own grandchildren. They loved going to Grandma's house. For so many years she would sew Halloween costumes for them in some shape or form. She will be forever in our hearts as we hold precious memories of her! ❤️

“ To our dear Marie, Dyann & family, These are the times we wished we lived closer so that we could give each of you a kiss & hug. We are so saddened about Aunt Mary. So many wonderful memories come flashing through our minds, the Sunday afternoon dinners, (pasta) either with Aunt Mary & Uncle John or all of us up with Gram & Grandpa Trupia sitting around the huge tables and all of us being together. When Aunt Mary spoke about each of you, Marie, Dyann & her Grandchildren you could hear the love in her heart and see that twinkle in her eyes for each one of you. So very proud and thrilled to tell everyone all about you. Aunt Mary you are resting now and know that others now have that same love in their hearts & twinkle in their eyes when we speak about you, for you truly are one of a kind. With all our love to you all always, Michael, Dawn, Mike (Mikey) & family.
