“ Thinking of you this morning.I prayed for you last night. I just can't wrap my head around you being gone. I know Jaxs is missing you. I'm missing you. You were the most loving sweet teddy bear and always wanted the best for everyone. I hope I see you again someday. Rip mike

I'm gonna miss you every day. I'm gonna miss you popping up in my phone and in my messenger just to say hi. This one really hit hard. I had just seen you five days before I will never understand I have so many unanswered questions and I am so mad but I hope that you're in heaven with your kids and your family because I know that you missed them more than anything. I hope I see you on the other side.
