“ *I met Nick some years ago. He was one to sit and share his wisdom and share his love. A true protector and a friend. He will remain in my heart, I'm grateful to have had him in my life. My hope is that fond memories help ease his family through this difficult time. He had tough times, but his character remained beautiful and true.*

“ John, Tina , Daniel Sara and little Nick- My heart breaks to hear of Nicks passing. There are no words to make the pain any less of loosing a son , dad or brother . Nick was a great guy , always glad to do anything for anyone, always that crazy smile on his face of what he was up to next.. I have many memories of Nick to remember as the loving true down to earth kid he was always making laughter when he was around. He may have struggled but always tried his best and I loved that in him. May you find comfort now knowing as hard as this is Nick is now in paradise laying in the palm of our lords hands .
Fly high Nick, you earned your angel wings in more ways then one. We will see you again one day. Love you bud ❤️ Thank you for being you whenever we meant-up. Your the best !

“ *Devastated to learn of the passing of Nick. I knew him and his sweetheart for a couple of years. Nick was a strong, protective, caring individual. He was such a hard worker- stubborn and SO dedicated to what he valued. He had his struggles, but he was always so decent despite his challenges and always got a smile out of you!! I will miss him and always speak fondly of his character.*
