Patricia Ann Baxter

March 6, 1957 – January 26, 2025

Patricia Ann Baxter, 67, passed away on January 26, 2025. She was born on March 6, 1957 in Brooklyn, NY.

Patricia was a woman of simple joys, a kind heart, and an unshakable loyalty—to her family, her career as an RN, and to the New York Mets.

Patricia was a dedicated RN for years of her life, providing comfort and care to the most vulnerable patients and their families. Outside of her career, her love for the New York Mets was one of the many passions she shared with those around her, always ready with spirited commentary or a cherished game-day ritual.

Patricia was preceded in death by her parents, Anna Rose and Francis "Gussie" Baxter. She is survived by her children, Meghan Baxter and Sean Baxter; her brother, Francis Baxter; her sister, Loretta Baxter Morgan; as well as numerous nieces, nephews, friends, and colleagues who will carry her memory in their hearts.

Patricia's life wasn't defined by grand gestures, but by the quiet, steady ways

she showed up for those she loved and the things she cared about most. She will be deeply missed, and her memory will forever live on in the hearts of those fortunate enough to have known her.

A celebration of Patricia's life will be held April 4, 2025, on her favorite day of the year—the New York Mets' home opener. Relatives and friends are invited to call from 10 am -12 noon at Richards Funeral Home, 29 Bross Street, Cairo, with a celebration of Patricia's life at 11:45 at the funeral home. Burial & reception will follow.

In lieu of flowers, donations may be made to www.givetocommunityhospice.org/donate/, a cause that was deeply meaningful to Patricia.

Her family invites all who knew Patricia to join in honoring her legacy of love, kindness, and selflessness.

“ We spent a lot of time on the baseball field together when our kids were in Elementary school. I always loved Pat’s energy and her love for her children, Meghan and Sean. Prayers and love for them.

“ *“Cousin Pat” was more of a sister to me growing up in Brooklyn. When I was much younger, Pat would stop by the house on Windsor Place to chat with my Mom, pull out the pack of cigarettes, sip on hot tea and share all the juicy neighborhood gossip while I listened at the top of the stairs. She knew everybody! As we got older, I had so much fun hanging with Pat and Loretta at McBear's. We bonded as youngsters and grew even closer with age. She was overjoyed when I met and fell in love with Allan. Pat was always so excited whenever she saw him on TV. I'll miss most of all our loooong phone calls. She was so proud of her children, and you could feel the mother's glow over the phone. Rest easy Pat, we'll all see you again one of these days! Let's go METS!*

“ I can't believe you're gone. I miss you very much as does all your family. I wish I could have prevented you from leaving us, but you lived the way that made you happy. I'm sure Mom and Dad are happy you are with them again. Please watch over us and know I will always be there for the kids. It's hard but I'll do my best. ❤️🙏
