“ On behalf of the Veteran community here in Greene County I can not express enough what Pat meant to all Veterans. She was always there for the Northeast USA Vietnam Veteran Reunions throughout the years especially the times when they had hosted the Vietnam Moving Wall. She had recorded all these events with her excellent photography skills. I also remember the many years she photographed the Greene County Honor a Veteran Ceremonies and made souvenir albums for families of the honored veteran. I was so happy that the Greene County Legislature finally recognized her for her dedication to the Veteran Community a few years ago. Very few people even knew of the things she did for the Veteran Community. I remember working with her for many years with the Memorial Tree at our Lady of Knock Shrine and many other activities related to her dedication to her faith.

God Bless you Pat
We Veterans and I especially will miss you very much
