

Patrick G. Andrews Sr.

December 15, 1944 - September 10, 2025

Patrick G. Andrews Sr, of Catskill, NY has passed away to be with his family and friends before him on September 10, 2025.

He was predeceased by his mother & father William and Victoria Andrews, brothers Billy and Phil and sisters Lee and Vicky.

He is survived by his sister Susie (Ed) Rielly, brother Jimmy (Laurie) Andrews, his children Patrick (Michele), Donald (Stacia), Dawn (Ed), Brian (Liza) and Janet (Jon). Ten grandchildren, 5 great grandchildren, with also having many close friends, through his many travels in life.

Pat was in the Army's 11th Armored Cavalry Regiment-Blackhorse. He was in Vietnam and really misses his tank. So many stories have come to each of us about his time over there, and the many memories he made. His stories will live on with him and when he doesn't have to pay for parking on the tank. He was a proud veteran.

He has a career at Grand Union & Shop Rite for 30 years in New Jersey eventually he retired in New York. In the last couple of years his short term memory was not there, but ask him about many years ago and he could remember. And when he talked about those days, he made you feel like you were there over and over. Now the delicate old man is driving his tank through

a field of water buffaloes.

“ Patrick, Donald, Dawn and Brian, please accept the condolences of the Troopers of the 11th Armored Cavalry's veterans of Vietnam and Cambodia. Your father was a dedicated and hard-charging warrior, one of us, one of our own. He served courageously with the Legendary Blackhorse Regiment in D Company in 66 and 67. Tanker Andrews will be remembered as an honorable trooper whose very presence brought comfort and support to his fellow troopers. He will be included on the Honor Role of our combat veterans, and honored at our next reunion, as well as other gatherings this coming year. His service highlighted his bravery and valor and was guided with the Vietnamese Cross of Gallantry. As grateful Americans we should all pause and salute a man who was willing to put his life on the line for his country. His eulogy so well captures the beauty and greatness of a truly loved Blackhorse brother. As our burial liturgy states: “ ... his life has not ended, merely changed ...” and as we were together then in Vietnam, we will be together again in the life hereafter, warmly embraced in the arms of our Heavenly Father.
