“ It is always sad to learn of the passing of a good childhood friend. We spent many hours together as young men in Cairo, always finding ways to keep ourselves entertained. Unfortunately, over time, and distance we lost touch, but the memories remain.

Our sympathies to the family during this difficult time.

“ To the family of Paul Kubler,

Paul and I were friends in high school, he was from Cairo and I was from Kingston. We lost contact until a few years ago on Facebook. We met face to face finally at the 50th Reunion last September where we rehashed a few tired old jokes that only we understood. Time had taken its toll on both of us but Paul was still the comedian and decent guy he had always been, I am going to miss him he was a damned good man.

Please accept my deepest condolences and sympathy.
