“ Hi daddy...This has been the longest and the hardest 6 months. Time is moving on, but my heart aches to have you hug me or just call and say "I love you" I miss you so much, but I am keeping busy so I don't show it as much. But you are always on my mind. In everything I do. I hear your voice guiding me dad. The only thing I am missing is actually having you here with us. I love you so much daddy. And i miss you more then words can say. Love you always...

“ Daddy, words cannot described how hard the past three months without you have been. Time is passing so quickly but there is a hole in my heart that cannot be filled. Thanksgiving was lonely without you, and I can't imagine Christmas without you. I know how much you loved Christmas daddy. Mommy had such a hard day today. She misses you so much. She is trying to be strong, but she is so lonely without you. We all miss you so much. I cannot begin to tell you how much I appriciated all the time I had with you and how much our moments ment so much to me. I wish I could just tell you one last time daddy how much you mean to me and how I love you so much. I miss you now and always. Rest well my daddy. Love you always. Xo
