“ I will always remember your Beautiful Smile, your Hardy Laugh, our walks on lunch outside and inside the warwhouse at Ginsburgs, you coming over for homemade Brocoli pizza, having hot tea, talking about our familles, laughing about the "flapper" when we run. I will miss you terribly my dear friend! Rip sweet lady! The lord had taken another angel into his kingdom. Fly high Regina!!

*So many memories...too many to even count.
Really missing your calls and your texts.
You loved family and friends so much and loved getting together...it was so important to you.
Whether it was a card in the mail, a batch of cookies, lunch with a friend...always so thoughtful and treasuring every one.
Forever our lives are tied together with the heart of many memories and joy of special moments and a friendship that will last forever. ❤️*

“ *I am just shocked and saddened to hear of Regina's passing. It was such a pleasure to have taught and coached her in high school. Regina had such a wonderful competitive spirit in sports and was a great role model for her teammates. She was a very good friend and I will miss our lunches with Annette and Susan where the girls shared many of their escapades. Some i knew about and some I didn't. May happy memories of Regina always keep her close to her family and friends. She will be truly missed. May she Rest in Peace. Much love - Eloise as she called me.*

“ Regina ((Veetot)

Wishing your family a peaceful heart!

You will be sorely missed by all (your sense of humor, witt, laughter, gentle and kind heart, good nature, your athleticism in high school and beyond....). Your positive mental attitude made you a joy to be around no matter the situation, and we're all so happy you were a part of our 45th high school class reunion last June.

Thank you for being a cherished friend and super locker mate!!!

*Until we meet again,
Cathy P (Veetot)*
