“ Dick was a Frend of mine and the years that we were close the Fort Lauderdale years as a kid ,1972 threw the serious years of tuna fishing out of Gloucester Massachusetts we we're close .I will Always remember the parties on the deck in annisquan at his marina ,I understood he was a advid hunter and competed in shooting. We had so much fun together because of his sences of humor and distinctive laughter. He took tuna fishing very seriously and was good at it .When I had to go back to Gloucester Massachusetts fore my dad's funeral he let me stay at his hotel and would not take a penny I will miss him ! I feel for the family and there lost my prayers are with you (I WILL SEE YOU UP YOU UP THERE DICK) Captain Bob Sulton (the flounder) -----note this was a difficult sight to find on google there would have been many many more tributes to him and family !!
