“ Dearest Richie,
I will miss you so much. You were a wonderful brother and person. My heart is breaking and I can't stop crying. There will never be anyone like you. And if this doesn't make sense to anyone, I don't even care, because I know it makes sense to you. Love runs deep. I will think of you everyday, all the good times and the very few bad times. And who defines "bad"? No time was bad with you; just another part of life. Your silly smile and your twinkling eyes are all I can see. Whether you were up or down, you always mustered up a smile. You never gave up, with all your surgeries: I called you "Raggety Andy" and in your recoveries I called you: "Energizer Bunny"; and you continued to laugh. I love you. It's funny how I sense your spirit; which makes me smile and know that you are not far. If I would ask you if you loved me the best, you would say "Yes", and then you would say the same to others. You had a way of making us each feel #1. All our talks will stay with me in my heart. Mommy must be thrilled to see you. And I will watch over our sister Barbara (the sensitive soul). Love never ending. Your Sister Linda

I'm so sorry Linda, I just found out that Richie had passed. I think alot about the "Grove Street Gang" these days. Give my love to Barrbara and Larry if you see them and to you of course.

“ Richie was, did and loved many things. By trade he was tool & die maker, yet the die he was cast from was heaven made. He was a Jewelry maker, yet himself a rare and brilliant jewel. Richie loved to tell stories. His story is what bestsellers are made from. Richie was a wonderful, loving, thoughtful, funny Son, husband, father, uncle, grandfather, friend and he was our brother who will forever be cherished. I will miss you Richie.

Missing you today and you have been in my thoughts all day reminiscing of the past and so many memories. Linda and I find your absence so surreal and still can't fully grasp you are no longer here. Love stays strong even though you are gone from us.
