“ This is one of the hardest things I might ever have to do....I lost a part of me with this passing...From the time I met Bob 2 years ago he became my best friend, he was always there for me. We had so much fun together and shared so much, he was just that kind of guy that made you open up. He opened my eyes and heart to the Lord and because of this I know he is in better place. We talked about death a lot and he told me that we should never fear it because we are going to a better place and that he was not afraid to go. There has not been a day in the last 2 years since I met him that I did not think of him everyday and I will always continue to do. He will always have a special place in my heart. And he will always be my "Spirit in the Sky". I will miss you very much..

Love you Susan

“ Just is so surreal to hear of Robert's passing. He had a way of making people laugh and to lift ones spirits when they were down. Robert and I had many a chat , ones I will cherish forever! I also knew Robert from playing euchre online. Just know he will be sorrowfully missed by the many that knew him , loved and cherished his friendship! Robert touched so many people in his life whether through his work, every day life or his online friends, he was a very compassionate, spiritual man! R.I.P. my dear friend! Sing with the angels! Thoughts and prayers are with you , his family at this very difficult time! God Bless. Brenda (a.k.a. BelieveLoveDream)

“ every now and then
we never know exactly when
a special someone comes along
making an impression, so very strong

friends, as we all know
seem to come and often go
as lives diverse and grow apart
they still stay with us deep in our heart

the special thoughts and loving care
the little things that we share
stay with us inside, a tiny seed
to be remembered as we need

as life's many ups and downs
turns our smiles into frowns
it's the thoughtful things said and done
to make a friendship a solid one

so though we may not often talk
your presence is felt, down every path i walk
the love and caring and generosity
show what a fantastic friend you are to me

everyone from "moment's" warriors of euchre family will miss him
tremendously. our deepest thoughts and prayers are with the family.

“ What can I say? I have very fond memories of when we would go for a car ride and Pizza Hut. I was about 10 or so years old. I thought he was certainly the "coolest" cousin ever! Still do. Rest in Peace with doves in heaven.

Robert,(inthemoment), was a friend, and partner, not only in euchre, but in gin also. Gin was the only game I could beat him at. We played a lot in clock, and had alot of conversation, he was a good friend, not only to me, but to others. I will miss him, and he will be in my prayers.

Dearest family of Robert, So sorry for your loss. We were stunned to say the less when we got news of such a lovely man that truly touched us here at our office to pass to be with his angels. We will miss his smiling face and many kind words he would say, along with his sense of humor that will stay with us forever in our hearts.
