“ Happy Birthday cousin! 55 years ago, your Mom, Dad and brother Chris were blessed with your arrival into this world. This world was a better place with you in it and it's a lonelier world without you. I miss you so much. Fly with the angels, Rob, I'll see you again. Love,
Doreen

“ Chris, Joann and family
I was saddened to hear about Robert's passing. I have fond memories of visits to Athens when he & Chris were very young. The Eskimo's have a saying... "Perhaps they are not stars, but rather opening in heaven, where the love of our lost ones pours through and shines down upon us to let us know they are happy." Look to the sky on a starry night and feel Robert's presence. Someone sent this to me when my mom passed away and even today, 23 years later, on a starry night I feel her presence and it gives me a sense of peace. I hope you find some comfort in it too.
My thoughts and prayers are with all of you.
