“ *The Member's of the NYPD Street Enforcement Unit/Narcotics Division are sad to hear of our Brother in Blue passing. Ralph was the "Rock" of the Unit. Always wanting to be in the front of danger to protect his team. When executing a "No Knock Warrant" Ralph would insist on being the first to enter into unknown danger. We always knew that Ralph would be there for us at difficult times. Not enough can be written of the great man and dear friend. We will always remember Ralph in our conversations while discussing the Best Of Times while serving in the "Greatest Show On Earth" Ralph we all loved you and will miss you dearly.*
