“ I was deeply moved when finding that Rudi passed away and I am sending my sincere condolences. I have known Rudi since I was a little boy of four, long time ago. He has impressed me ever since, even though we were able to see each other on very rare occasions only. I am so thankful that I was able to speak to him on the telephone last Christmas. I will always keep my good memories of him and Milli.

“ Rudi was a great friend of my family and will be missed greatly. I'll always remember hanging out with "little" Rudy as a kid and joking about how Grampa could pick up a Volkswagen with his bare hands. He was a great man with a big heart and will be remembered always!
