“ I never got to meet you but I know you created a better understanding of life in who and what you produced. Your granddaughter (Cat) appreciated and looked up to you more than other person on earth and she is and will always be such a person in my life- she lived life through your eyes. Thank you for being such a big part of my life and others with just your memory and spirit. Looking forward to meeting you one day.

“ Kathleen, Debra and family. I am deeply saddened to read of Sal's passing. He was one of a kind. He could fill a room with his presence, make you laugh and lived life on his own terms. I'll always remember our adventure together and there is no one I rather hang Christmas Reefs with on a cold winter day.RIP in peace my dear friend.

*Kathleen, Debbie, Catherine, Nina and extended family. I am so sorry to hear that Sal has died. He was such a character, good fun and so annoying when he was stirring it up. He had such a big heart and your home was always a very welcoming one. He will leave a big void. I am also sorry we cannot be there to offer comfort and support in person.
