“ I met Simone through a mutual friend, Heather and because of this we were all able to share some great laughs together, laughs I will not forget! Although I am sad to hear of her passing, I am grateful that she can be reunited with her husband. My thoughts and prayers are with Simone's family and friends.

“ To the most unique French lady I've ever met. I admired your class from many years ago as neighbors and how you still held on to that class to the end. Heather loved sharing stories of the two of you and adored you. God knew what he was doing when he crossed both your paths. God bless you !

“ Simone had a heart of gold. Her kindness and compassion were only two of the beautiful parts that filled her gentle soul. She loved to listen and take in the world around her, both of which are rare to find in the world today. I'm thankful for all of the lovely memories Simone shared with me that she treasured so much. I will always be thankful to have met such an amazing woman.

“ I am so appreciative for the time I was able to spend with Simone. Heather Maassmann always spoke highly and kindly about Simone and this summer I finally got to meet this amazing woman. She spoke to me about her travels and life experiences. It was so touching to hear her life story and she even shared photos with me. I feel so fortunate that I was able to meet Simone. God Bless you Simone, you will be missed.

“ I feel so honored to have been able to get to know Simone. She was one of the kindest, humble ladies I have ever met and I know she felt blessed every day for the life she lived. I know personally how honored she felt to never have to spend one day in a nursing home. God Bless you Simone, I know your flying with the Angel's.
