

Tamara S. "Tammy" Bogdanovich

March 18, 1945 - August 19, 2023

Tamara "Tammy" S. Bogdanovich of Cairo, NY, born March 18, 1945, passed away peacefully in her sleep on August 19, 2023, at the age of 78 years old. Tamara was an incredibly talented artist and made a living from her artwork, until she retired from it years ago. Tammy loved to tell stories about her family and Russian heritage, as well as her adventures and days growing up in America. Tammy was an only child and did not have a lot of family. Her parents, Sergei and Tamara Bogdanovich, emigrated to the United States (New York City) well before Tammy was born, and then settled in Carmel, NY. Tammy's partner and love of her life for many decades, John "Paco" Vansezska, passed away more than a decade ago. Tammy is survived by very good and long time friends:

David and Nan Greenwood, Kathleen & John McHugh, Donna Rightmeyer, Suzanne Liszt, and Tanja Eie.

Tammy's wishes were to be cremated and to be reunited with Paco in a private ceremony with her closest friends in Millbrook, NY. She will be sorely missed!

Arrangements are under the direction of Richards Funeral Home of the Mid-Hudson Valley, Inc., 29 Bross Street, Cairo, N.Y., 12413.
