I will and always miss you. My dear Tommy, we had so many great times together. You touched so many lives, you will never be forgotten, thank you for the wonderful years you gave me as your wife. We just grew apart somehow, but you will always be in my heart. RIP

“ *Our hearts ache for you. Tommy was a one of a kind guy. Loyal, devoted, patriotic, funny, young at heart....the list goes on. We will always treasure the T.O.E.J.A.M.'s we were lucky enough to play at. Per his directive, I would always start the gig with my rendition of the STAR SPANGLED BANNER. I didn't have to look far to see Tommy standing proudly and silently, with his hand over his beautiful heart. Please know that you are all in our thoughts and prayers. I know Tom is already organizing the 1st T.O.E.J.A.M. in Heaven. We'll all see him there some day. And he'll greet us with his boy-like smile, a warm hug and a pat on the back. God Bless You.*

Tommy taught me how to ride the trains for free when I was eleven and how to liberate items from local supermarkets when I was twelve. Our paths became divergent once high school started, but I always remembered him as my first real friend. If they run a BMT up there, save me a seat. John Zullo
