“ I am heartbroken to hear of the passing of Tom.

Tom was a good friend, and someone I came to deeply respect in both life and work. Just days ago, we were excited to welcome him to Endear, Inc. as our Business Development Director. He brought a calm confidence, a genuine spirit, and a quiet determination that made you trust him immediately.

What I will remember most is not just his professionalism, but his character—his kindness, his sincerity, and the ease with which he connected with people. He had a way of making conversations feel meaningful and purposeful.

It is hard to accept that he is gone so suddenly. We had plans, conversations, and a future we were looking forward to building together.

Tom will be truly missed.

My deepest condolences to his family. You are in my thoughts during this incredibly difficult time.
