“ *I haven't seen Walter since we were kids growing in Norton Hill. We would hang out at his house and sneak over and ride horses at the A BAR A ranch. Sorry to hear of his passing.* ”

I was MIA Missing In Action. So, I never read the whole obituary. I would like to send my regards to the other side of the family. Thank you for taking care of the Arrangements. We lost touch over the years. No one communicates anymore. That's why are family reunions are funerals. At the end of the day the level of disrespect is concerning. I just drop people. Change my number. Go make new memories with new people. That was my mom's brother. Aunt Shirley started acting funny back in 2018. The rest is history. When Nanna Cameron died I hardened my heart.
