*“ Walter South and Whip o Will.
He was the original "git er done" guy. There wasn't anything he couldn't or wouldn't do for you (or W-O-W). Walter knew everyone. He never held a grudge or created one.
What a privilege to know him. It was easy to be envious of anyone who could call him their best friend.
Pat and Lorraine, I'm so sorry for your loss and I would like you to know Walter will always be connected to those summer days forever in my memories we all enjoyed at Whip-O-Will.
My deepest condolences and gratitude, Tommy Foote*

“ My most heartfelt condolences. I served with "Wally" South in the 156 FA in Kingston. He was a great guy, a good soldier, and a blast to be around. I only wish I had known him better, which is what I say about all the "old-timer" soldiers I knew back then. It was an honor to have known and to have served with you. Rest in peace, and drink up! Webster, Vinnie, and all the rest are there with you my friend!

“ Walter was the guy who was always there whenever someone else needed help. Although we fell out of touch we each other like so many of us have, I have fond memories of snowmobiling with him in the winters when I lived up in Round Top. Rest in peace my friend.
