“ *Even though I havent seen Billy in almost two years, we were good friends growing up and into our young adult lives. I have many fond memories of good times and LOTS of laughter with him. Sadly I wasnt able to show my respects today because im out of town, but my thoughts and prayers go out to his family. Billy is someone I will always think back upon who brightened my days, brought a smile to my face, and was willing to lend an ear in times of need. May the Angels guide you to a better place my friend!
Love, Missy G.*
