To the Jackson Family - Bill was a great guy. I am so sorry for your loss. For the years that we were neighbors and many years after that I always enjoyed his sense of humor. He loved to tease and always found the right thing to say. I fondly recall watching him play cards with your Mom and Grandparents. I long appreciated going with him to the Worlds Fair in New York. I respected his service to our Country that didn't end when he left the Military. Bill & Mary are now together again and watching over you all.
